Profile

A self-driven and motivated **Graduate Software Engineer** who works efficaciously in dynamic environments. An excellent and effective communicator on all levels, who is a team player with a natural attention to detail and accuracy. A passionate and fast learner skilled in **Python (Django), Java, C# and JavaScript**.

My objective is to expand on my current skillset through learning the infrastructure and workflow in which tech companies utilize in order to maximize productivity, minimize system downtime and ensure that customer satisfaction is of the highest regard.

Key Skills

Hard Skills: Web Development, Mobile Application Development, Debugging, Database Knowledge, Version Control

Languages & Tools: Python (Django), Java, C#, JavaScript, HTML/CSS, MySQL, GitHub, Firebase

Soft Skills: Communication, Collaboration, Critical Thinking, Problem Solving, Networking

Education

Bachelor of Engineering (BEng) in Software Engineering (2:1), Edinburgh Napier University, Edinburgh

Higher National Certificate in Software Development, City of Glasgow College, Glasgow

Highers – Biology(A), Geography(A), Physical Education(A), Computing(B), English(B)

Work History

55 Bar & Grill / Nonnas
Bartender & Waiter

June 2022 – September 2022

Worked here for 4 months after graduating university to enable me to save for my upcoming trip to North & Central America. Further developed an enhanced understanding of the importance of efficient, accurate, high standard service under timed environmental pressure.

Platform 5
Bartender & Waiter

August 2018 – May 2022

Was offered this position due to recognition of my work ethic in The Overlee, was part of this highly efficient team for 4 years while I worked towards my BEng in Software Engineering. Here I was able to develop strong bonds and connections with my colleagues and enhance my communication and networking skills as the staff turnover was high. I further learnt of the importance of efficient yet accurate customer service.

Work History (continued)

The Overlee Bartender & Waiter

September 2017 – August 2018

Worked as a Waiter and Bartender for 1 year while I worked towards my HNC in Software Development. Here I was able to further develop my communication and collaboration skills while being part of an efficient FOH team.

Quiz/Debenhams Web Shop Bartender & Waiter

2016-2017

I worked full time from 8am – 4pm (plus overtime when required) during my summer holidays throughout the later years of my high school career. I was responsible for orders, packaging and deliveries and learnt the importance of working quickly, efficiently and accurately.

Six Bells Catering (0138 980 0079 | sixbellscaterers@aol.co.uk) Bartender & Waiter

2014-2016

Worked as a Waiter at functions most weekends. Gained skills in Customer Service, dealing with the public, handling cash along with developing my social skills in an adult environment.

Interest & Achievements

- Computing:** I was awarded 6th place in my year group for the 'Bebras Challenge', showing I can cope with a range of mathematical and logical challenges under timed exam conditions.
- Music Production:** I enjoy, and am thoroughly passionate about, music production and have been for 5 years. I began this with no guidance or tuition, showing that I am adaptable and comfortable working with new computer software and environments. I have accumulated over 1.1 million listens on Soundcloud.
- Outdoors & Travelling:** I have walked the West Highland Way, a 96 mile walk from Glasgow to Fort William. I also enjoy climbing Munros, with a natural gravitation toward the more thrill-seeking ones such as The Inaccessible Pinnacle. I have currently climbed 24 Munros. I recently travelled from San Francisco to Costa Rica, visiting every destination in between in a 2-month period, with a mix of solo and accompanied travelling.
- Athletics:** I enjoy running and have represented my high school at county level in a number of events including 100m sprint (national level in 2014), high jump and relay, all of which I was awarded with 1st place.
- Football:** I have played for a number of different football teams for 14 years now and have been awarded Player of the year trophies on a number of occasions.
